Prices* are per-guest list as follows:

-Pulled Pork-

Our pulled pork is slow cooked to perfection for half a day creating a balance of moist meat and full flavor. We start with premium quality pork, wet rubbed in our signature spices to create the best "bark" and smoked over hardwood for that old fashioned taste. Served on a fresh baked roll, with sauce on the side, allowing the customer to decide which sauce they're in the mood for.

-St. Louis Style Ribs 1/2 Slab-

The ribs! We serve premium "St. Louis-style" pork spare ribs. Our ribs are dry rubbed in our signature spices before setting on low heat for a good long time, sealing in the natural juices. Each slab has the tell-tale "smoke ring" from hours of slow, hard wood cooking. Every bite tells a story of the time-honored, traditional barbeque.

\$12

-1/2 BBQ Chicken-

Our chicken is brined overnight, then seasoned in our signature rub, slow-cooked for several hours revealing a rich, smoked flavor. Beats run-of-the-mill grilled chicken hands down!
